

Enrollment Instructions (Base Plan with HSA Eligible Employees)

We're teaming up with UnitedHealthcare to help you step up your savings game. Just enroll in the UnitedHealthcare Motion™ walking program, tracker your steps and earn over \$1,000 a year to spend on health-related expenses.

Get a free* activity tracker.

Sign up now and receive a \$55 registration credit you can put towards the purchase of an activity tracker.

You probably walk around every day anyway. Make your steps count:

1. Register for a Motion™ account at UnitedHealthcareMotion.com today with the group number listed on your health plan ID card or the last 6-digits of your Social Security number.
2. Select your activity tracker path:
 - Get a [\$55] credit just for registering.
 - If you already have a compatible activity tracker, the credit will be applied to your reward account.
 - OR you can apply the [\$55] toward the order of an activity tracker.
3. Download the Motion™ app to sync your device.
4. Walk to meet the daily walking goals and start earning over \$1,000.

Get healthier and \$1,000 wealthier.

Don't leave anything on the table. Just think over \$1,000 for things like deductibles, copays and prescriptions could be yours. If you have an enrolled spouse, your family has the potential to earn as well to help pay for out-of-pocket healthcare expenses.
